## **CHAPTER II.**

### **STANDARD WEIGHTS AND MEASURES.**

3. (1) For the purpose of verifying the correctness of commerical weights and measures and weighing and measuring instruments used in transactions for trade or commerce, the Government may cause to be prepared as many sets of authenticated standard weights and measures as they may deem necessary to be called the working standards, and special sets of working standards in relation to bullion and precious stones may also be prepared.

**Working  
standards.**

(2) The working standards shall be made of such material and according to such designs and specifications and shall be prepared by such agency and shall be stamped and authenticated by such person or authority and in such manner as may be prescribed.

(3) The working standards shall be kept at such places, in such custody and in such manner as may be prescribed.

(4) A working standard shall be verified with the secondary standard and stamped by such persons at such places, at such intervals and in such manner as may be prescribed:

Provided that a special working standard in relation to bullion and precious stones shall be verified with the reference standard.

(5) A working standard which is not so verified and stamped within the prescribed period shall not be deemed legal or be used for the purposes of this Act.

(6) A working standard which has become defective shall not be deemed legal or be used for the purposes of this Act, until it has been verified and stamped in the prescribed manner.

**Secondary  
standards.**

4. (1) For the purpose of verifying the correctness of the working standards, the Government may cause to be prepared at the Mint as many sets of authenticated standard weights and measures as they may deem necessary to be called the secondary standards.

(2) The secondary standards shall be made of such material and according to such design and specifications as may be prescribed and shall be stamped and authenticated by such person or authority as the Government may direct.

(3) The secondary standards shall be kept at such places, in such custody and in such manner as may be prescribed.

(4) A secondary standard shall be verified with the reference standard at least once in every five years and shall be stamped with the date of verification in the prescribed manner by such person or authority as the Government may direct.

(5) A secondary standard which is not verified and stamped as aforesaid shall not be deemed legal and shall not be used for the purposes of this Act.

**Reference  
standards.**

5. The reference standards shall be kept at such places, in such custody and in such manner as the Government may direct.

6. (1) For the purpose of verifying the correctness of commercial weights and measures and of weighing and measuring instruments used in transactions for trade or commerce, the Government may cause to be prepared as many sets of weighing and measuring instruments as they may deem necessary.

**Standard weighing and measuring instruments.**

(2) Such instruments shall be of such kind, kept in such manner and shall be verified and stamped in such manner as may be prescribed.

(3) Such instruments shall be kept at all places where secondary standards or working standards are kept.

7. (1) Notwithstanding anything contained in any other law or any custom, usage or practice, no unit of mass or measure, other than the standard weights or measures shall be used in any transaction for trade or commerce or any dealing or contract or for any work to be done or goods to be sold or delivered in any area or class of goods or undertakings in respect of which this Act applies.

**Prohibition of use of weights and measures other than standard weights and measures.**

(2) Any custom, usage, practice or method of whatever nature which permits in any trade, a trader, seller or buyer to demand, receive or cause to be demanded or received any quantity of article in excess of, or less than, the quantity fixed by the weight or measure by which the contract or dealing, in respect of the said article, has been made, shall be void.

(3) Any transaction, dealing or contract made or had after the expiry of three months from the commencement of this Act shall, in so far as it contravenes the provisions of sub-section (1) be void.

**Power to prescribe the use of weights only, or measures only in certain cases.**

8. (1) Notwithstanding anything contained in this Act, the Government may, by notification in the <sup>4</sup>Telangana Gazette, direct that in any specified trade or class of trades no transaction, dealing or contract shall be made or had except by weight only, or except by measure only.

(2) A notification issued under this section shall take effect in such area, with effect from such date, and subject to such conditions, if any, as may be specified therein.

### **CHAPTER III. VERIFICATION AND STAMPING OF WEIGHTS AND MEASURES.**

**Stamping of denomination on commercial weights and measures.**

9. Every weight or measure manufactured for use as a commercial weight or measure shall bear the description of the weight or measure which it purports to be stamped legibly on it in such manner as may be prescribed.

**Prohibition of sale of unstamped commercial weights and measures.**

10. No commercial weight or measure or weighing or measuring instrument shall be sold or delivered unless it has been verified or re-verified and stamped in the prescribed manner.

**Prohibition of use of unstamped commercial weights or measures.**

11. No weight or measure or weighing or measuring instrument shall be used in transactions in trade or commerce unless it has been verified or re-verified and stamped in the prescribed manner.

**Power of Government to exempt.**

12. Where the size of commercial weight or measure renders it impracticable to have any denomination stamped on it under the provisions of section 9, section 10, or section 11, the Government may, by notification in the <sup>4</sup>Telangana Gazette, exempt such weight or measure from being so stamped.

---

4. Substituted by G.O.Ms.No.45, Law (F) Department, dated 01.06.2016.

13. No person shall, in course of trade, manufacture, repair or sell any commercial weight or measure or any weighing or measuring instrument, unless he has obtained in the prescribed manner a licence in this behalf from the Government or any officer, authorised by them.

**Prohibition of manufacture etc., weights and measures without licence.**

14. No person shall sell, offer for sale, expose for sale, or have in his possession for sale, any article contained in a sealed package or container unless such package or container bears thereon, or on a label securely attached thereto, a description of the net weight or measure of the article contained therein:

**Stamping of weights or measures on sealed containers.**

Provided that the provisions of this section shall not apply to an article sold, offered for sale, exposed for sale or in possession for sale which is not ordinarily sold in transactions for trade or commerce by weight or measure.

15. (1) The Government may appoint a Controller of Weights and Measures for the State and as many Assistant Controllers and Inspectors of Weights and Measures as may be necessary for exercising the powers and discharging the duties conferred or imposed on them by or under this Act.

**Appointment of Controller, Assistant Controller and Inspectors.**

(2) The Government may, by general or special order, define the local limits within which each Inspector shall exercise the powers and discharge the duties conferred or imposed on Inspectors by or under this Act.

(3) Subject to the provisions of this Act all Assistant Controllers of Weights and Measures and Inspectors shall perform their functions under the general superintendence and control of the Controller; and the Controller and the Assistant Controllers of Weights and Measures may, in addition to the powers and duties conferred or imposed on them by or under this Act, exercise any power, or discharge any duty so conferred or imposed on Inspectors.

(4) The Government may also take from each Inspector such security and in such form as may be prescribed for the due discharge of his functions and duties under this Act.

16. (1) Every Inspector shall, for the purpose of verification of weights and measures and weighing and measuring instruments, attend at such place and time within his jurisdiction as may be appointed in this behalf by the Controller.

(2) The Inspector shall verify every weight or measure or weighing or measuring instrument which is brought to him for the purpose of verification and if finds such weight or measure or weighing or measuring instrument correct and in conformity with the Standards of Weights and Measures Act, 1956 (Central Act 89 of 1956), and the rules made thereunder, he shall stamp the same in the prescribed manner.

17. (1) An Inspector may, within the area under his jurisdiction, inspect and search at all reasonable times, the weights, measures and weighing and measuring instruments which are used in transactions for trade or commerce or are in the possession of any person or are on any premises for such use and may verify every such weight or measure or weighing or measuring instrument with a working standard or weighing or measuring instrument prescribed for the purpose.

(2) (a) Where a premises used for trade is partly used by the trader for trade and partly for dwelling purposes, the whole of such premises shall, for the purposes of this Act, be deemed to be premises used for trade.

(b) Where a premises used for trade is used by a trader partly for trade and partly for storing articles for trade, or where any other premises is used for storing of articles

for trade, the premises in either case, shall for the purposes of this Act, be deemed to be the premises used for trade.

(3) For the purpose of verifying the correctness of any weight or measure used in any transaction, an Inspector may also verify the weight or measure of any article sold or delivered in the course of the transaction.

(4) An Inspector may, at all reasonable times, require any trader or any employee or agent of a trader to produce before him for inspection all weights, measures, weighing and measuring instruments which are used by him or are in his possession or are kept on any premises used for trade and all documents and records relating thereto, and such trader, employee or agent shall comply with such requirements.

(5) An Inspector may seize and detain any weight or measure or weighing or measuring instrument regarding which an offence under this Act appears to have been committed or which appears to have been, or might be, used in the commission of such an offence, and may also seize and detain any article sold or delivered or caused to be sold or delivered by means of such weight or measure or weighing or measuring instrument together with any document or record relating thereto.

(6) Where an Inspector has reason to believe that a sealed package or container does not actually contain the net weight or measure of the article which it purports to contain, the Inspector may break open the sealed package or container and verify its contents; and if, on such verification, the net weight or measure of the article is found to be correct, the Inspector shall re-seal the package or container where it is possible so to do without injury to the contents thereof and attach a certificate thereto stating the correct weight or measure of the article, but if, on the other

hand, the net weight or measure of the article is found to be incorrect, the Inspector may seize and detain the package or container and the article contained therein.

(7) For the purpose of such inspection, an Inspector may, at all reasonable times, enter into any place where weights, measures or weighing or measuring instruments are used or kept for use in transactions for trade or commerce and inspect such weights and measures and weighing and measuring instruments.

**Power of Inspector to adjust weights or measures.**

18. Where it appears to the Government desirable that an Inspector should be allowed in any area to adjust the weights or measures or weighing or measuring instruments, they may, if they think fit, authorise such Inspector to adjust and repair the weights and measures or such instruments accordingly.

**Manufacturers, etc., to maintain records and documents.**

19. (1) Every manufacturer, repairer or dealer in weights and measures or weighing or measuring instruments, and every person using them in transactions for trade or commerce shall maintain such records and accounts as may be prescribed and if required so to do by an Inspector, shall produce such records and accounts before him.

(2) Notwithstanding, anything contained in sub-section (1), if the Government are of opinion that having regard to the nature of business carried on by any such manufacturer, repairer or dealer, or any person or class of persons using them, it is necessary so to do, they may by order, exempt such person or class of persons from the operation of that sub-section.

**Appeals.**

20. (1) Subject to the provisions of sub-section (2), an appeal shall lie-

(a) from every decision of an Inspector under this Act, to the Controller; and

(b) from every decision of the Controller under this Act; not being a decision made in appeal under clause (a), to the Government or any officer specially authorised in this behalf by the Government.

(2) Every such appeal shall be preferred within sixty days from the date of the decision.

(3) On receipt of any such appeal, the appellate authority shall, after giving the appellant a reasonable opportunity of being heard and after making such enquiry as it deems proper, decide the appeal and the decision of the appellate authority shall be final.

21. (1) The Government may charge such fees as may be prescribed-

**Levy and collection of fees.**

(a) for the grant of a licence under section 13, for manufacture, repair or sale of commercial weights and measures or weighing and measuring instruments, and

(b) for the verification, stamping and adjustment of commercial weights and measures or weighing and measuring instruments.

(2) All amounts payable to Government under this Act or the rules made thereunder shall be recoverable as arrears of land revenue.

22. A weight or measure or weighing or measuring instrument, duly stamped by an Inspector under this Act, shall be a legal weight or measure or weighing or measuring instrument in all places to which this Act applies unless it is found to be false or defective and shall not be liable to be

**Validity of weights and measures duly stamped.**

restamped by reason merely of the fact that it is used in any place other than that in which it was originally stamped.
